Revelstoke Ski Club Sponsorship Program 2011-2012

To help the Revelstoke Ski club in its fund raising we propose the following program

For each mortgage that a ski club member or a referral that a ski club member sends its friend uses our business to obtain a mortgage for their home we will make a contribution to the Revelstoke Ski Club for .15% the mortgage split 50 % to the club and 50 % to a racer of the parents choice.

We will make that contribution to the club in groups of 3 mortgages so that confidentiality will be kept for mortgage amounts. The ski club member can chose not to have their name mentioned if they choose.
